# The Church of Jesus Christ of Latter Day Saints

## Cornish Ward Primary Program

October 25, 2026

A true testimony is born of the Spirit and confirmed by the Holy Ghost—it changes lives. It changes how you think and what you do. It changes what you say. It affects every priority you set and every choice you make. To have a real and abiding testimony of the gospel of Jesus Christ is to be "spiritually … born of God," to "[receive] his image in your countenances," and to experience a "mighty change in your hearts" (Alma 5:14).
