OTHER ANNOUNCEMENTS

Tithing Declaration with Bishop Smith

Beginning September 13, Bishop Smith will be meeting with members and families for tithing declaration. Please use the link below to schedule a time that works for you.

What does it mean to declare your tithing status?
Tithing declaration is an opportunity to meet privately with the bishop and declare whether you consider yourself a full-tithe payer, part-tithe payer, or non-tithe payer for the year, as well as make sure your contribution records are accurate.

You do not need to be caught up on your tithing before your appointment. Your declaration reflects your personal determination of your status for the year, and any donations made later will still be included in your annual record.

Tithing declaration is also an opportunity to reflect on our commitment to the Lord's law of tithing, teach our children this principle, express gratitude for the blessings of the gospel, and meet with the bishop. Tithing is an expression of faith in God and helps support the Lord's work, including temples, missionary work, Church programs, and caring for those in need.

We invite every member and family to take this opportunity to meet with Bishop Smith. Please click the link below to schedule or message Ben Lundberg.

FAMILY HISTORY

Where in the world do you think you come from? You can find out by logging into your Family Tree account. Click on "activities" then in the drop-down menu click on "all activities". Click on " where am I from" (the picture of the world with arrows circling it). This opens up a huge map with little circles and numbers for you to click. By doing this you can find out if your ancestors came from France, Portugal, England, or any place in the world. Have fun playing around with this.
